VII.

Facts

9. Plaintiff was the owner of the Policy issued by Defendant. Plaintiff owns the insured property.
10. Defendant sold the policy, insuring the property that is the subject of this lawsuit to Plaintiff. The Plaintiff suffered a significant loss with respect to the property at issue, and suffered additional living expenses.
11. Plaintiff submitted its claim to Defendant with a Date of Loss for damage to the dwelling and contents of the home.
12. Defendant assigned a Claim Number to Plaintiff's claim.
13. Defendant failed to properly adjust the claim and summarily improperly paid the claim with obvious knowledge and evidence of serious cosmetic and structural damage.

14. Defendant improperly paid Plaintiffs claim for replacement of the property, even though the policy provided coverage for losses such as those suffered by Plaintiff.
15. Defendant failed to perform its contractual duty to adequately compensate Plaintiff under the terms of the policy. Defendant failed and refused to pay the full proceeds of the policy although due demand was made for proceeds to be paid in an amount sufficient to cover the damaged property and all conditions precedent to recovery upon the policy had been carried out and accomplished by Plaintiff. Such conduct constitutes breach of the insurance contract between Defendant and Plaintiff.
16. Defendant misrepresented to Plaintiff that the damage to the property was not in excess to the amount paid even though the damage was caused by a covered occurrence. Defendant's conduct constitutes violations of the Texas Insurance Code.
17. Defendant failed to make an attempt to settle Plaintiff's claim in a fair manner although they were aware of their liability to Plaintiff under the policy. Defendant's conduct constitutes violations of the *Texas Unfair Competition and Unfair Practices Act*. TEX. INS. CODE §541.060(2).
18. Defendant failed to explain to Plaintiff the reasons for its offer of an inadequate settlement. Specifically, Defendant failed to offer Plaintiff adequate compensation, without any explanations why full payment was not being made. Furthermore, Defendant did not communicate that any future settlements or payments would be forthcoming to pay for the entire losses covered under the policies nor did it provide any explanation for the failure to adequately settle Plaintiff's claim. Defendant's conduct constitutes violations of the *Texas Unfair Competition and Unfair Practices Act*. TEX. INS. CODE §541.060(3).
19. Defendant failed to affirm or deny coverage of Plaintiff's claims within a reasonable time. Specifically, Plaintiff did not receive timely indication of acceptance or rejection, regarding the full

and entire claims, in writing from Defendant. Defendant's conduct constitutes violations of the *Texas Unfair Competition and Unfair Practices Act*. TEX. INS. CODE §541.060(4).

20. Defendant refused to fully compensate Plaintiff, under the terms of the policy, even though Defendant failed to conduct a reasonable investigation. Specifically, Defendant performed an outcome-oriented investigation of Plaintiff's claim, which resulted in a biased, unfair and inequitable evaluation of Plaintiff's losses on the property. Defendant's conduct constitutes violations of the *Texas Unfair Competition and Unfair Practices Act*. TEX. INS. CODE §541.060(7).

21. Defendant failed to meet its obligations under the Texas Insurance Code regarding acknowledging Plaintiff's claims, beginning investigations to Plaintiff's claims and requesting all information reasonably necessary to investigate Plaintiff's claim within fifteen (15) days of receiving notice of Plaintiff's claims. Defendant's conduct constitutes violations of the *Texas Prompt Payment of Claims Act*. TEX. INS. CODE §542.055.

22. Defendant failed to accept or deny Plaintiff's full and entire claims within fifteen (15) business days of receiving all required information. Defendant's conduct constitutes a violation of the *Texas Prompt Payment of Claims Act*. TEX. INS. CODE §542.056.

23. Defendant failed to meet its obligations under the Texas Insurance Code regarding payment of claims without delay. Specifically, Defendant has delayed full payment of Plaintiff's claims longer than allowed and, to date, Plaintiff has not yet received full payment for the claims. Defendant's conduct constitutes a violation of the *Texas Prompt Payment of Claims Act*. TEX. INS. CODE §542.055.

24. From and after the time Plaintiff's claims were presented to Defendant, the liability of Defendant to pay the full claims in accordance with the terms of the policy was reasonably clear. However, Defendant has refused to pay Plaintiff in full, despite there being no basis whatsoever on which a reasonable insurance company would have relied on to deny the full payment. Defendant's conduct equates to breaches of the common law duty of good faith and fair dealing.

25. As a result of Defendant's acts and omissions, Plaintiff was forced to retain the attorney who is representing Plaintiff in this cause of action.

26. Plaintiff's experience is not an isolated case. The acts and omissions Defendant committed in this case, or similar acts and omissions, occur with such frequency that they constitute a general business practice of Defendant with regard to handling these types of claims. Defendant's entire process is unfairly designed to reach favorable outcomes for the company at the expense of the policyholders.

TEX. INS. CODE §541.051, §541.060 and §541.061.
32. Defendant's unfair settlement practice, as described above, of failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of the claims, even though Defendant's liability under the policy was reasonably clear, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.051, §541.060 and §541.061.
33. Defendant's unfair settlement practice, as described above, of failing to promptly provide Plaintiff with a reasonable explanation of the basis in the policy, in relation to the facts or applicable law, for its offer of a compromise settlement of the claims, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.051, §541.060 and §541.061.
34. Defendant's unfair settlement practice, as described above, of failing within a reasonable time to affirm or deny coverage of the claims Plaintiff or to submit a reservation of rights to Plaintiff constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. 35. Defendant's unfair settlement practice, as described above, of refusing to pay Plaintiff's claims without conducting a reasonable investigation, constitutes an unfair method of competition an unfair and deceptive act or practice in the business of insurance. Act"

37. Defendant's failure, as described above, to acknowledge receipt of Plaintiffs claims, commence investigation of the claims, and request from Plaintiff all items, statements, and forms that they reasonable believed would be required within the applicable time constraints, constitutes a non-payment of the claims. TEX. INS. CODE §542.055-542.060.
38. Defendant's delay of payment of Plaintiffs claims, as described above, following its receipt of all items, statements, and forms reasonably requested and required, longer than the amount of time provided for constitutes a non-prompt payment of the claims. TEX. INS. CODE §542.055-542.060.

COUNT 2:

Breach of the Duty of Good Faith and Fair Dealing

39. Defendant's conduct constitutes a breach of the common law duty of good faith and fair dealing owed to insured's in insurance contracts. See: *TRAVELERS LLOYDS OF TEXAS INSURANCE COMPANY v. Nicolau*, 951 S.W.2d 444, 1997 Tex. LEXIS 69 (Tex. 1997). Defendant insurance company acted in bad faith when it denied a claim by plaintiff insureds; in an action for property damage due to plumbing leaks the insurer was found to have hired an investigating firm biased against finding liability, failed to follow up on substantial information indicating the leaks were the cause of damage, and the court held that denial of coverage could have been pre-textual.
40. Defendant's failure, as described above, to adequately and reasonably investigate and evaluate Plaintiffs claims, although at that time Defendant knew or should have known by the exercise of

reasonable diligence that its liability was reasonably clear, constitutes a breach of the duty of good faith and fair dealing, as well as Defendant's canceling said Policy.

COUNT 3:

41. Each of the acts described above, together and singularly, was done "knowingly" and "intentionally" and was a producing cause of Plaintiff's damages described therein by Texas Deceptive Trade Practices Act.

 - ii. submit a reservation of rights to a Plaintiff;
- e. refusing, failing, or unreasonably delaying an offer of settlement under first-party coverage on the basis that other coverage may be available or that third parties are responsible for the damages suffered, except as may be specifically provided in the policy;
- f. undertaking to enforce a full and final release of a claim from a policyholder when only a partial payment has been made, unless the payment is a compromise settlement of a doubtful or disputed claim; and/or
- g. requiring Plaintiff, as a condition of settling a claim, to produce Plaintiff's federal income tax returns for examination or investigation.

53. 56. Defendant, by and through its agents, reached a meeting of the minds and acted in such a manner as to further the conspiracy to commit stated illegal acts by knowingly and with reckless disregard for the Plaintiff in the course of handling of this subject claim made false statements, misrepresented material facts, and engaged in actions and/or omissions for the purpose of misleading Plaintiff as to the rights, duties, and insurance benefits in the subject contract for insurance, and Plaintiff having relied upon such conduct has been injured.

57. The conduct described was done intentionally and for the purpose of having Plaintiff rely on such fraudulent conduct thereby causing Plaintiff to suffer injury.

IX.

Damages and Prayer

58. WHEREFORE, PREMISES CONSIDERED, Plaintiff herein, complains of Defendant and prays that Defendant be cited to appear and answer and that on a final trial on the merits, Plaintiff recover from Defendant the following:

- a. Plaintiff would show that all of the aforementioned acts, taken together or singularly,

constitute the proximate and or producing causes of damages sustained by Plaintiff.

- b. For breach of contract, Plaintiff is entitled to regain the benefit of his bargain, which is the amount of the policy benefits withheld, together with consequential damages and attorney's fees.
- c. For noncompliance with the *Texas Unfair Competition and Unfair Practices Act*, Plaintiff is entitled to actual damages, which includes the loss of the benefits that should have been paid pursuant to the policy, including but not limited to direct and indirect consequential damages, mental anguish, court costs and mandatory attorney's fees. See *Rosenblatt v. Freedom Life Ins. Co. of Am.*, 240 S.W.3d 315, 2007 Tex. App. LEXIS 6177 (Tex. App.—Houston [1st Dist.] 2007, no pet.) For knowing and intentional conduct of the acts complained of, Plaintiff asks for three times economic damages and three times mental anguish damages. See TEX. INS. CODE §541.152 and TEX. BUS. & COM. CODE §17.50.
- d. For noncompliance with *Texas Prompt Payment of Claims Act*, which is strict liability without any good faith exceptions, Plaintiff is entitled to the amount of her claims, as well as eighteen (18) percent interest on the total amount of the claim per annum post judgment interest, as allowed by law, and for any other further relief, either at law or in equity, to which she may show here to be justly entitled. See *Am. Nat'l. Prop. & Cas. Co. Inc. v. Patty*, No. 05-00-01171-CV, 2001 Tex. App. LEXIS 5493 (Tex. App.—Dallas Aug. 15, 2001, pet. denied) (unpublished). The formula for calculating the interest penalty under this article is “ $I = P R T$,” where “ I ” is interest, “ P ” equals the principal, “ R ” equals the rate of interest, and “ T ” equals time over which interest is to be calculated. Thus, where the insurer tendered less than the face value of the policy, the penalty should have been calculated until judgment was entered against the insurer. Tender of partial payment of a claim does not reduce the penalty; the penalty is

calculated based on the amount of the "claim," not the difference between the claim and any partial payment that is made. See *Republic Underwriters Ins. Co. v. Mex-Tex, Inc.*, 106 S.W.3d 174, 183-84 (Tex.App.—Amarillo 2003, pet. denied). Also See *Higginbotham v. State Farm Mut. Auto. Ins. Co.*, 103 F.3d 456, 461 (5th Cir. 1997). Violations of Tex. Ins. Code §542 are strict liability without any exception.

- e. For breach of the common law duty of good faith and fair dwelling, actual damages, direct and indirect consequential damages, exemplary damages and mental anguish as to be determined by the jury. See *Lee v. Safemate Life Ins. Co.*, 737 S.W.2d 84, 1987 Tex. App. LEXIS 8111 (Tex. App.—El Paso 1987, writ dismissed). Exemplary damages are recoverable for a breach of duty of good faith and fair dealing under the same principles allowing recovery of those damages in other tort actions; mental anguish damages are recoverable for a breach of duty of good faith and fair dealing under the same principles allowing recovery of those damages in other tort actions.
- f. For fraud, Plaintiff seeks damages for breach of contract. *Albin v. Isotron Corp.*, 421 S.W.2d 739, 744 (Tex. Civ. App.—Texarkana 1967, writ refused n.r.e). Upon a finding of actual fraud, Plaintiff seeks exemplary damages as to be determined by the jury. TEX. CIV. PRAC. & REM. §41.003(a)(1).
- g. For ongoing civil conspiracy, Plaintiff seeks joint and several damages to which the conspirators caused Plaintiff along with exemplary damages as determined by the jury.
- h. Plaintiff seeks attorney fees at a contingent rate of forty-five percent as allowed by law. If attorney fees must be quantified at an hourly rate, Plaintiff seeks attorney fees at \$450 an hour. See *Mid-Century Ins. Co. v. Barclay*, 880 S.W.2d 807, 1994 Tex. App. LEXIS 1480 (Tex.

App.—Austin 1994, writ denied). Attorney's fees are awarded to a party as part of the damages owed by an insurance company that violates this chapter, and it is appropriate to require the insurer to pay a contingency fee, which may be greater than an hourly fee. The specter of large attorney's fee awards may serve as additional incentive to the insurance company to respond promptly and diligently to its insured's claims.

- i. Furthermore, the denial and/or wrongful delay to provide Plaintiff with insurance benefits by Defendant was apparently part of a common plan, routine, scheme, and design calculated to deny insurance benefits to policy holders. In order to punish Defendant and to set an example and thereby prevent other policyholders from being treated in this manner, exemplary damages should be awarded. Accordingly, Plaintiff seeks exemplary damages in an amount the jury deems appropriate.

X.

JURY DEMAND

59. Plaintiff respectfully demands a trial by jury and remits such fee.

XI.

60. In addition to the content subject to disclosure under Rule 194.2, Plaintiff requests disclosure of all documents, electronic information, and tangible items that the Defendant has in its possession, custody, or control and may use to support Defendant's claims or defenses.

PLAINTIFF'S MOTION TO COMPEL MEDIATION PURSUANT TO
§ 541.161 OF THE TEXAS INSURANCE CODE AND
§ 17.5051 OF TEXAS BUSINESS AND COMMERCE CODE
AND BRIEF IN SUPPORT OF MOTION TO COMPEL MEDIATION

This Motion to Compel Mediation is brought in accordance with § 541.161 of the Texas Insurance Code and § 17.5051 of Texas Business and Commerce Code by Plaintiff. In support, they show:

I.
SUMMARY OF THE CASE

1. This is a lawsuit regarding damage to an insured property.
2. Pursuant to Texas Insurance Code § 541.161 and § 17.5051 of Texas Business and Commerce Code, Plaintiff asks this court to compel a mediation in an attempts to timely resolve this dispute.

II.
ISSUE PRESENTED

3. At the request of a party, not later than the 90th day after the date a pleading for relief under the Texas Insurance Code/Texas Business and Commerce Code has been served, the Court shall sign an order setting the time and place for a mediation to occur within 30 days after the date of such order.

III.
MOTION TO COMPEL MEDIATION

4. To promote early resolution of consumer insurance complaints, Texas Insurance Code and Texas Business and Commerce Code allows a party to compel another party to mediation by seeking mediation within 90 days of filing a petition seeking relief. The mediation must occur within 30 days of a signed order. The court may under certain circumstances grant an additional 30 days in which the mediation can be completed. Such provision allows either the parties to agree on a mediator or the court to appoint one.
5. Plaintiff believes that there is a reasonable expectation that the disputes in this case may be resolved by the use of the alternative dispute resolution procedure of mediation, and Plaintiff therefore requests the Court to refer this dispute for resolution by mediation.
6. Plaintiff requests that the Court refer this matter to a mediator who is qualified for mediation as provided by the Federal Rules. Plaintiff request that the costs of mediation be divided as directed per Tex. Ins. Code § 541.161 and Tex. Bus. & Com. Code § 17.5051, paid in advance directly to the mediator, and taxed as costs.

7. Plaintiff prays that the Court grant this Motion for Mediation and render an order of referral to mediation pursuant to Texas Insurance Code § 541.161 and § 17.5051 of Texas Business and Commerce Code.

IV.

BRIEF IN SUPPORT OF MOTION TO COMPEL MEDIATION

8. § 541.161(a)&(b) of the Texas Insurance Code and § 17.5051(a)&(b) of Texas Business and Commerce Code states:

A party may, not later than the 90th day after the date a pleading for relief under this subchapter is served, file a motion to compel mediation of the dispute in the matter provided by this section. The court shall, not later than the 30th day after the date a motion under this section is filed, sign an order setting the time and place of the mediation.

9. § 541.161(c)&(d) of the Texas Insurance Code and § 17.5051(c)&(d) of Texas Business and Commerce Code states:

The court shall appoint a mediator if the parties do not agree on a mediator. The mediation must be held not later than the 30th day after the date the order is signed, unless:

(1) the parties agree otherwise; or

(2) the court determines that additional time not to exceed 30 days is warranted.

10. Plaintiff has filed a pleading for relief under § 541 of the Texas Insurance Code and/or § 17 of Texas Business and Commerce Code that was served on Plaintiff within 90 days from this motion; therefore, Plaintiff now asks this court to sign an order setting the time and place for mediation to be held not later than the 30th day after such order is signed.

V.

PRAYER

11. For these reasons Plaintiff prays that this court sign an order setting the time and place for mediation to occur within 30 days from such order and further names a duly qualified mediator.
